1. That there are possible alternatives to a viatical settlement contract including any accelerated death benefits or policy loans offered under the prospective viator's life insurance policy.
2. That the viatical settlement broker represents exclusively the viator, and not the insurer or the viatical settlement provider, and owes a fiduciary duty to the viator, including a duty to act according to the viator's instructions and in the best interest of the viator.
3. That some or all of the proceeds of the viatical settlement contract may be taxable under federal income tax and state franchise and income taxes, and assistance should be sought from a professional tax adviser.
4. That proceeds of the viatical settlement contract could be subject to the claims of creditors.
5. That receipt of the proceeds of a viatical settlement contract may adversely affect the viator's eligibility for Medicaid or other government benefits or entitlements, and advice should be obtained from the appropriate government agencies.
6. The viatical settlement provider company, not the viator, may compensate LIS based on a formula that is a percentage of the face value of the life insurance policy. For example, compensation for a \$100,000 policy could be: $8\% \times \$100,000$ (face value) = \$8,000.00
7. That the viator has the right to rescind a viatical settlement contract before the earlier of thirty days after the date upon which the viatical settlement contract is executed by all parties or fifteen (15) days after the viatical settlement proceeds have been paid to the viator, as provided by Iowa law. Rescission, if exercised by the viator, is effective only if both notice of the recession is given, and the viator repays all proceeds and any premiums, loans, and loan interest paid on account of the viatical settlement within the rescission period. If the insured dies during the rescission period, the viatical settlement contract shall be deemed to have been rescinded, subject to repayment by the viator or the viator's estate of all viatical settlement proceeds and any premiums, loans, and loan interest that have been paid by the viatical settlement provider or purchaser within sixty days of the insured's death.
8. That funds will be sent to viator within three (3) business days after the viatical settlement provider has received the insurer's or group administrator's written acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated.

9. That entering into a viatical settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate, to be forfeited by the viator, and assistance should be sought from a financial adviser.
10. That disclosure to a viator shall include distribution of a brochure describing the process of viatical settlements. The National Association of Insurance Commissioners form for the brochure shall be used unless another form is developed or approved by the commissioner.
11. That all medical, financial, or personal information solicited or obtained by a viatical settlement provider or viatical settlement broker about an insured, including the insured's identity or the identity of family members, a spouse or significant other, may be disclosed as necessary to effect the viatical settlement between the viator and the viatical settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two years.
12. Following the execution of a viatical contract, the insured may be contacted for the purpose of determining the insured's health status and/or to confirm the insured's residential or business street address and telephone number, or as otherwise provided by chapter. This contact is limited to once every three months if the insured has a life expectancy of more than one year, and no more than once per month if the insured has a life expectancy of one year or less. All such contacts shall be made only by a duly licensed viatical settlement provider or by the authorized representative of a duly licensed viatical settlement provider.

The viatical settlement broker (LIS) shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosure shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide all of the following information:

3. Any affiliations or contractual arrangements between the viatical settlement broker and any person making an offer in connection with the proposed viatical settlement contracts.
4. The amount and method of calculating the broker's compensation. As used in this paragraph, "compensation" includes anything of value paid or given to a viatical settlement broker for the placement of a policy. Any portion taken from a proposed viatical settlement offer, the broker shall disclose the total amount of the viatical settlement offer and the percentage of the viatical settlement offer comprised by the viatical settlement broker's compensation.
