DISCLOSURE TO VIATICAL SETTLEMENT APPLICANT

With each application for a viatical settlement, a viatical settlement provider or viatical settlement broker shall provide the viator with at least the following disclosures no later than the time the application for the viatical settlement contract is signed by all parties. The disclosures shall be provided in a separate document that is signed by the viator and the viatical settlement provider or viatical settlement broker, and shall provide the following information:

You should carefully read all of the following points and seek financial, insurance, tax and other advice where appropriate.

1. There are possible alternatives to viatical settlement contracts including any accelerated death benefits or policy loans offered under the viator's life insurance policy;
2. That a viatical settlement broker represents exclusively the viator, and not the insurer or the viatical settlement provider, and owes a fiduciary duty to the viator, including a duty to act according to the viator's instructions and in the best interest of the viator;
3. Some or all of the proceeds of the viatical settlement may be taxable under federal income tax and state franchise and income taxes, and assistance should be sought from a professional tax advisor;
4. Proceeds from a viatical settlement could be subject to the claims of creditors;
5. Receipt of the proceeds of a viatical settlement may adversely affect the viator's eligibility for Medicaid or other government benefits or entitlements, and advice should be obtained from the appropriate government agencies;
6. The viator has the right to rescind a viatical settlement contract before the earlier of thirty (30) calendar days after the date upon which the viatical settlement contract is executed by all parties or fifteen (15) calendar days after the viatical settlement proceeds have been paid to the viator. Rescission if exercised by the viator, is effective only if both notice of the rescission is given and the viator repays all proceeds and any premiums, loans, and loan interest paid on account of the viatical settlement within the rescission period. If the insured dies during the rescission period, the contract shall be deemed to have been rescinded subject to repayment by the viator or the viator's estate of all viatical settlement proceeds and any premiums, loans, and loan interest to the viatical settlement within sixty (60) days of the insured's death;
7. Proceeds will be sent to the viator within three (3) business days after the viatical settlement provider has received the insurer or group administrator's written acknowledgment that ownership of the policy or interest in the certificate has been transferred and the beneficiary has been designated;

DISCLOSURE TO VIATICAL SETTLEMENT APPLICANT, Page 2

8. Entering into a viatical settlement contract may cause other rights or benefits, including conversion rights and waiver of premium benefits that may exist under the policy or certificate to be forfeited by the viator. Assistance should be sought from a financial advisor;
9. The brochure titled "Your Guide to Viatical Settlements" will be provided to the viator and applicant prior to the time the application for a viatical settlement contract is signed by all parties;
10. All medical, financial or personal information solicited or obtained by a viatical settlement provider or viatical settlement broker about an insured, including the insured's identity or the identity of family members, a spouse or significant other, may be disclosed as necessary to effect the viatical settlement between the viator and the viatical settlement provider. If you are asked to provide this information, you will be asked to consent to the disclosure. The information may be provided to someone who buys the policy or provides funds for the purchase. You may be asked to renew your permission to share information every two (2) years; and
11. Following execution of a viatical contract the insured may be contacted for the purpose of determining the insured's health status or to confirm the insured's address and telephone number, or as otherwise provided in the Viatical Settlements Act of 2008. This contact is limited to once every three (3) months if the insured has a life expectancy of more than (1) year, and no more than once per month if the insured has a life expectancy of one (1) year or less. All such contacts shall be made only by a viatical settlement provider licensed in the state in which the viator resided at the time of the viatical settlement, or by the authorized representative of a duly licensed viatical settlement provider;
12. The life settlement provider company, not the owner, may compensate LIS based on a formula that is a percentage of the face value of the life insurance policy. For example, compensation for a \$100,000 policy could be: $8\% \times \$100,000$ (face value) = \$8,000.00.

A viatical settlement broker shall provide the viator with at least the following disclosures no later than the date the viatical settlement contract is signed by all parties. The disclosures shall be conspicuously displayed in the viatical settlement contract or in a separate document signed by the viator and provide the following information

13. The name, business address, and telephone number of the viatical settlement broker
14. A full, complete and accurate description of all offers, counteroffers, acceptances and rejections relating to the proposed viatical settlement contract; and
15. A written disclosure of any affiliations or contractual arrangements between the viatical settlement broker and any person making an offer in connection with the proposed viatical settlement contracts
